Standings Sheets

Please let me know on your sheets this week, or by email at **RockinMs@msn.com**, how you want to receive the standings each week. This would be by checking the website yourself when you get to your match, me emailing them to one or all of your players and having one of them print them and bring them each week, or by delivering them to the home bar. It is just as easy to email them to a whole list of people at one time if I send them via email.

Table Runs

Congratulations to Pete Alby for your two table runs, and to Chris Lind and Chris Matthews on your table runs this week.

Sponsor Fees & Weekly Fees

Fees are **STILL $66** for the half and **$132** for the year, even though Rail Stop dropped out. The byes will be considered as 15 wins. Please turn in your sponsor fees of $50, and your dues, tonight if possible, but at the latest by next week. The dues are to be in at the latest by the 3rd and 13th week. You can pay the **$66** for the half or the whole amount of **$132.** Please make checks out to **Fox River Men's Pool League**, not to me personally. You can drop them off at Gabby's Palace or Bonnie & Betty's.

Tables and Equipment

Team Captains - For those tables that regularly get moved during the prior week or weekend, please get there early on pool night and check them to make sure they got re-leveled. Tables are not being re-leveled and there are impending issues because of this!!! John's is one example and if anyone knows of others, please let me know so that we can address this with them as well. There's nothing wrong with moving them as long as they are properly re-leveled again.

Scoresheets

Reminder that both team Captains, not just one, need to take a picture of both scoresheets together and if possible, **email them** to me. This is to eliminate one being different or changed. Also, try to send the picture to my email at **RockinMs@msn.com** rather than to my phone via text. The pictures do not turn out at all when you text them to my phone.

Chris's USA

Is that Mike Mac that shot this past week? It's hard to read it via the text pixture. Also, what is Kevin G's name from the first week?
