Captains (Ineligible Players)

We prefer that you contact us to add to your roster as soon as you know you need them, because of scheduling, and amount of people that have come into contact with someone that had the Covid, then we can make exceptions. We would rather you be safe and find a different sub or a sub that isn't on your roster by November 1st, than bring a regular or sub that might get someone else sick.

RULE REVIEW

Rule 3.10. DEFLECTING THE CUE BALL ON THE GAMES OPENING BREAK. On the break shot, stopping or deflecting the cue ball after it has crossed the head string and prior to hitting the racked balls is a foul and loss of turn (Ie; miscue etc. Cue ball must be allowed to stop rolling on its own). The opponent has the option of receiving the ball in hand behind the head string and breaking, or letting his opponent re-break. If the latter is the case, all table runs and eight ball breaks are still applicable. *(Modification of BCA Rule 3.8) (Modifies BCA 4.7) (Ref. 3.6)*

Sportsman of the Year

It's time to start putting some thought into your selections for Sportsman of the Year. I will let you know when it is time to vote, but if you start thinking about this now you can include influence from the whole year versus just the last couple of weeks.
