2. Rules that were voted on at this meeting and the results;

Rule 7.B.1. Both bars buy a round of 10 drinks (home and visitor)

Rule was changed by a vote of 6 to 0 to the following;

B. Home team buys 1 round and visitors buy nothing and sponsor fee goes up to 100 from 50 due to the fact that the bars would save 30 per week by not buying that extra round of drinks.

Rule 7.A.1 and A.2 League divided into two divisions etc etc

Proposed to change to;

League will remain as one division and not be divided into two divisions.

Rule will stay the same as it was voted down 8 to 0. League will remain as 2 divisions

Rule of 5 man teams and 15 games per night,

Proposed to change to;

4 man teams and 16 games per night, thus shooting each guy one time.

Home teams would make out lineup and away team would match up.

Rule will stay the same as it was voted down 6 to 2. League will remain playing 15 games per night with 5 shooters per team.

Rule of allowing a coach be called to the table one time per game,

Proposed to change to;

eliminating coaching completely.

Rule will stay the same as it was voted down 5 to 3.

Rule of officers be elected from different teams,

Proposed to change to;

officers be allowed to be from the same team, and that because of that there be a protest committee set up.
