## Player Names

There are ALOT of names that I could not read this week!! Remember that I am looking at a small picture that I can barely see the names, much less the sloppy writing!! I don't have the actual scoresheets to try and read! Please double check the spelling of your player's names on this week's standings. Also, don't forget to write first AND last names on the scoresheets each week. I am missing numerous last names already.

## Table Runs

Congratulations to Sean Williams, Corky, Mike Schryer, and Dan Roberts for your table runs this week.

## Sponsor Fees and Player Fees

Sponsor fees of **\$100** are due by next week. Also due by next week are the first half player fees of **\$55.00** each. If you would like to pay the entire year of **\$110** that's fine as well. Please make checks payable to **Fox River Men's Pool League**.

## Rule Changes/Updates/Reminders

Please make sure that all of the guys on your team read the sheet I sent out this past week with the rule reminders on there. It is important that they see these as well as the pool news each week so they are up to date on what is going on.

## Captains

Could the Captains of each team please print your name and phone number on this week's scoresheets so that I can update them for my files? Rosters on the last page of the rules should be turned in with them on there as well.
