## Table Runs

Congratulations to Eric Johnson, Rick Sedlak, and Phil Bourdo on your table runs this week.

## Sponsor Fees and Player Fees

Sponsor fees of **\$100** were due last week! (**September 16**). Also, due tonight, (**September 23**), are the first half player fees of **\$60.00** each. If you would like to pay the entire year of **\$120** that's fine as well. I keep all payments recorded on a spreadsheet so I know who has paid what, so when turning in any cash please mark on the envelope the name of the person paying the cash so I know who to credit. I know that sounds obvious, but you would be surprised how many times there was no name listed. Let me know when and where you want to meet up so that we can get these paid.

## Captains

Please fill out the last page of your rules packet with the names **AND** phone numbers of the guys on your roster. You can leave it in your packet, but take a picture of it and email or text it to me. Include **YOUR** number as well so I have my list updated. I have more than one number for some of you in my phone.

## RULES

Please notice that all **NEW** rules for this year, (and a few important old ones), are printed in **RED** in your hole punched rules packet that should be kept in your folder. The rules packet that is not hole punched (labeled "Bar") is the one that should be posted in your bar somewhere, according to the rules. I am dropping off 2 laminated scoresheets this Monday at all of the home bars. If you want paper scoresheets instead so you can keep them in your folder all year, let me know asap. Pick up a wet erase marker if you lost yours from last year. Also let me know if you need a folder or anything else as well.

## Scoresheets/Standings Sheets

Please mark your scoresheets with a 1 or a 0 for wins and loses, not W or L. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.
