Table Runs

Congratulations to Jason DeFord, Marcous Avila, and Josh Bourdo on your table runs this week.

Scoresheets

This is the second week in a row that I have not gotten a picture of two teams scoresheets from a match. The purpose of having **BOTH** team Captains send in their own picture of the scoresheets is so that if one is blurry, then I have the other to fall back on. If one Captain forgets, then I have the other to fall back on. But for the second time in three weeks, **NEITHER** Captain sent in a picture of the scoresheets from their match. This means that I either have to do the stats without the sheets, or wait until I get them. Either way it should not be happening.

Captains

Please fill out the last page of your rules packet with the names **AND** phone numbers of the guys on your roster. You can leave it in your packet, but take a picture of it and email or text it to me. Include **YOUR** number as well so I have my list updated. I have more than one number for some of you in my phone.

Scoresheets/Standings Sheets

Please mark your scoresheets with a 1 or a 0 for wins and loses, not W or L. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.

RULES

Please notice that all **NEW** rules for this year, (and a few important old ones), are printed in **RED** in your hole punched rules packet that should be kept in your folder. The rules packet that is not hole punched (labeled "Bar") is the one that should be posted in your bar somewhere, according to the rules. I am dropping off 2 laminated scoresheets this Monday at all of the home bars. If you want paper scoresheets instead so you can keep them in your folder all year, let me know asap. Pick up a wet erase marker if you lost yours from last year. Also let me know if you need a folder or anything else as well.
