## Table Runs

Congratulations to Sean Williams, Brandon Pfitzenmeier, Matt Baker, and Rey Avila on your table runs this week.

## Scoresheets **(AGAIN)**

This is the **THIRD** week in a row that I have not gotten a picture of two teams scoresheets from a match. The purpose of having **BOTH** team Captains send in their own picture of the scoresheets is so that if one is blurry, then I have the other to fall back on. If one Captain forgets, then I have the other to fall back on. But for the third time in four weeks, **NEITHER** Captain sent in a picture of the scoresheets from their match. This means that I either have to do the stats without the sheets, or wait until I get them. Either way it should not be happening. I did not get one match sheets until Saturday evening and I don't have time on Sundays to do stats. I will be enforcing the fines from now on. I would have done it earlier but I feel bad for the four guys on the team because their

## Captains

Please fill out the last page of your rules packet with the names **AND** phone numbers of the guys on your roster. You can leave it in your packet, but take a picture of it and email or text it to me. Include **YOUR** number as well so I have my list updated. I have more

## CAPTAINS **(POOL NEWS)**

Please make sure one of your guys is printing out the Pool News each week and sharing it with all the guys on your team. This is imperative that they keep up on all the info each week as well as you Captains. We want everyone to know whats going on each week so they aren't left in the dark so to speak.

## Scoresheets/Standings Sheets

**Please mark your scoresheets with a 1 or a 0 for wins and losses, not W or L. Mark table runs as a 'TR' instead of a 1, and an eight ball break as an '8'.** I missed a couple of table runs because it was just marked with a little asterick and it was hard to read on a phone pic. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.
