TABLE RUNS

Congratulations to Brian LeStarge, Phil Bourdo, and Gage Fitzpatrick on your table runs this week. Also, instead of putting an asterick or a really small 'tr' in the top corner on your score sheet for a table run or eight ball break, please put **'TR'** or an **'8'** in the box. It is too easy to miss the small letters in a phone picture.

SCORESHEETS

Thank you for getting all of the scoresheets in on the night of your matches. It is so much easier and quicker when they get sent on the night of!

VENTURE INN

You had 10 players on your roster already so in order to add Chris West to it, I had to remove one person. I removed Rey Avila because he shot for Honey Lake Inn already so he can't shoot for you anyways.

Scoresheets/Standings Sheets

Please mark your scoresheets with a 1 or a 0 for wins and loses, not W or L. Mark table runs as a 'TR' instead of a 1, and an eight ball break as an '8'. I missed a couple of table runs because it was just marked with a little asterick and it was hard to read on a phone pic. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.

CAPTAINS (POOL NEWS)

Please make sure one of your guys is printing out the **Pool News** each week and sharing it with all the guys on your team. This is imperative that they keep up on all the info each week as well as you Captains. We want everyone to know whats going on each week so they aren't left in the dark so to speak.
