TABLE RUNS

Congratulations to Dan Roberts on your two table runs and to Mark Talarek on your table run this week, and to Brian LeStarge on your eight ball break this week. Instead of putting an asterick or a really small 'tr' in the top corner on your score sheet for a table run or eight ball break, please put **'TR'** or an **'8'** in the box. It is too easy to miss the small letters in a phone picture.

ROSTERS

As of **November 1st**, no one will be allowed to shoot that is not already listed on the standings sheet. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. **See page 3 of the rule book under rule 1.D.4.**

SUBS

Countryside, you have an 'A' listed as a sub, but you don't have 'Chad' listed as a sub, nor do I have his last name. **Gabby's**, the **Scott** you have listed, I assume it is **Scott Gall**?

Scoresheets/Standings Sheets

Please mark your scoresheets with a 1 or a 0 for wins and losses, not W or L. Mark table runs as a 'TR' instead of a 1, and an eight ball break as an '8'. I missed a couple of table runs because it was just marked with a little asterick and it was hard to read on a phone pic. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.

SCORING

On one set of sheets this week, it has a 'TB' next to Willie Pitej's name, but it is **NOT** on the other teams sheets. Which is it? Sheets are supposed to be checked before you sign them! That is the whole purpose of signing them guys, to make sure they are the same. I received a handwritten scoresheet this week. If you need a laminated sheet let me know. You can also print scoresheets on paper. Just go to the website and look under 'Mondays', and then under 'blank scoresheets'.
