TABLE RUNS

Congratulations to Dan Roberts and Chris Calvillo on your table runs this week. Instead of putting an asterick or a really small 'tr' in the top corner on your score sheet for a table run or eight ball break, please put **'TR'** or an **'8'** in the box. It is too easy to miss the small letters in a phone picture. **Again this week there was one teams sheets that had a table run marked for a shooter, and it was not on the other sheet!**

ROSTERS

As of **November 1st**, no one will be allowed to shoot that is not already listed on the standings sheet. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. **See page 3 of the rule book under rule 1.D.4.**

SUBS (NO LAST NAMES!!)

Countryside, for your two subs Oct 14th, I have an 'Al' listed on your roster, but you don't have 'Chad' listed on your roster. What were their last names? **Gabby's**, the **Scott** you had listed that same week, I assume it is **Scott Gall**?

Roster Changes / Substitutions

League Rule 1.D.4.

There will be an open team roster from the start of the season until **November 1st**. **On or before November 1st**, each team must turn in a finalized roster listing ten (10) shooters. From **November 1st to January 1st** only people listed on the Standings Sheets will be allowed to shoot. Substitutions to this roster will be allowed, however, any player addition or removal **requests must be presented to the League Secretary for confirmation and in time to make that weeks standings.** (See rule 6.B.3.) After January 1st there will be no changes allowed to the standings sheets at all! This means that effective November 1st, up to January 1st, you will need to let me know one week ahead of time in order to have someone shoot that is not listed on the sheets.

BUBBA'S BRICKYARD vs ART'S TOWN TAP

On one set of sheets in the picture **LAST** week, for the match of **Brickyard vs. Art's**, it has a **'TB'**, or **'TR'** (**hard to read**), next to **Willie Pitej's** name, but it is **NOT** on the other teams sheets. Did he get a table run? Sheets are supposed to be checked before you sign them! That is the whole purpose of signing them guys, to make sure they are both the same. Let me know if I need to add a table run to Willie's stats or not. It is **BOTH** teams responsibility to make sure the sheets match up, hence the signatures!!
