Ineligible Shooter - Jackson's Hole

Jackson's Hole used a shooter this past Monday that was not on their roster. I am assuming that the opposing team authorized this so I completed the standings accordingly. This reminder on rosters has been on the sheets for the last few weeks so there is no reason that this should happen. Please pay attention and **get your rosters in asap** so there are no more issues! Also, for teams that have had more than ten guys shoot for them already, whoever is not eligible anymore will be designated in the left column as "ineligible".

Table Runs

Congratulations to Dao Jordan, Brian Miller, and Pete Alby on their table runs this week.

Rosters

Effective **November 1st**, no one will be allowed to shoot that is not already listed on the standings sheet that week. If you need to add someone, it must be done **the week prior** so that the player is actually listed on the standings sheet **before** he subs. See page 3 of the rule book under rule 1.D.4. Final rosters, where no changes can be made at all any more, are due on January 1st.

Fox River Men's Pool League Website

In order to view or print the standings each week, enter <http://www.foxrivermenspoolleague.com>. A picture will come up on the main screen. Move the cursor over the 'Monday' heading and a drop down will show up that will show the options of meetings, rules, standings etc. Remember also that I usually post on our facebook page (**Fox River Men's Pool League / Monday Nights**) as soon as I have the standings finished and on the website for you to view / print.

Scoresheets

Please make sure that your lineups match up prior to the match start time. Remember that the home team sets the order your guys shoot in ie; 2, 1, 3, 5, 4 or whatever, and the away team matches up their shooters in that same order ie; your number 2 shoots their number 2, your number one shoots their number 1 etc. If there is a tie for any of the shooters, home or away, the home team gets to decide who shoots whom for those ties only. Also make sure that your scoresheets match up **BEFORE** you actually sign off on them. We are still having issues with sheets not matching up when I get them. Please also remember to send a picture of your sheets right away on Monday night. I know things happen and people forget, but for two people to not remember again this week shouldn't happen.
