Fox River Men's Pool League Website

In order to view or print the standings each week, enter <http://www.foxrivermenspoolleague.com>. A picture will come up on the main screen. Move the cursor over the 'Monday' heading and a drop down will show up that will show the options of meetings, rules, standings etc. Remember also that I usually post on our facebook page (**Fox River Men's Pool League / Monday Nights**) as soon as I have the standings finished and on the website for you to view / print.

Rosters

Effective **immediately**, no one will be allowed to shoot that is not already listed on the standings sheet that week. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. See page 3 of the rule book under rule 1.D.4.

Also, remember that rosters will be final on **January 1st** and you will no longer be able to add anyone at all, much less the week before so please get your rosters in!! Additionally, I know for a fact that there are a couple names spelled wrong. Please review the sheets!
