Roster Changes / Substitutions

League Rule 1.D.4.

There will be an open team roster from the start of the season until **November 1st. On or before November 1st**, each team must turn in a finalized roster listing ten (10) shooters. From **November 1st to January 1st** only people listed on the Standings Sheets will be allowed to shoot. Substitutions to this roster will be allowed, however, any player addition or removal **requests must be presented to the League Secretary for confirmation and in time to make that weeks standings.** (See **rule 6.B.3.**) After January 1st there will be no changes allowed to the standings sheets at all! This means that effective November 1st, up to January 1st, you will need to let me know one week ahead of time in order to have someone shoot that is not listed on the sheets.

TABLE RUNS

Congratulations to Lee Dao, Mike Mikula, and Alex Blessins on your table runs this week, and to Willie Pitej on your eight ball break this week! Also, please only put **TR** or **8** next to the **winner's** name, **DO NOT** put it in their **opponents** box!!

REMINDER - SPELLINGS

I know for a fact that there are numerous names that are spelled wrong on the standings sheets. I also am missing a couple of last names. **Please text the correct spellings to me ASAP!!!** Also, don't forget to check your regulars and subs to make sure they are coded correctly.

ROSTERS

Reminder, **effective immediately**, from this point forward, no one will be allowed to shoot that is not already listed on the standings sheet. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. **See page 3 of the rule book under rule 1.D.4.**

RULE REMINDER - DRINKS

League Rule 7.B.3. "Game & Team drinks **shall not exceed \$3.00 each**, with a maximum of \$30.00 per round. If these limits are exceeded the recipient shall pay the difference." For example, if the guy you are shooting against is drinking something that costs \$3.75, then you would give the bartender the \$3.00 as the league rule states, and your opponent would pay the extra .75 cents. (A \$3.00 drink chip would obviously be an option as well). **Also, per league rules, the passing of drink chips is not allowed!**
