## Table Runs

Congratulations to Scott Heiligenthal on your table run this week and to Kevin Frey on your eight ball break this week.

## Scoresheets

I am still getting pictures of sheets that do not match up as far as wins, losses, table runs, and eight ball breaks. Some are even in the same picture!! Please double check these before you sign off on them as it gets very confusing. Also, please print legibly and avoid putting anything in the box aside from a 1 or a 0. Someone last week put a 'D' in the space and it looked like a zero.

## League Fees

For those of you that are only partially paid, the remainder of your league dues for the year must be paid in full by **Monday December 14th**. You should start getting these in now as the 14th is the deadline, not when you start paying them. Remember, dues not paid by that night means your **entire team will forfeit all games** until all players on your team are paid in full.

## Rosters

Effective immediately, no one will be allowed to shoot that is not already listed on the standings sheet that week. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. See page 3 of the rule book under rule 1.D.4.

Also, remember that rosters will be **final** on **January 1st** and you will **no longer be able to add anyone at all**, much less the week before so please get your rosters in!!
