Table Runs

Congratulations to Kevin Frey, Chris Lind, and Randy Smith on your table runs this week.

Rosters

Due tonight, (**January 1st** per league rules), you must turn in your final roster of five regulars and five subs. For those teams that have had more than five subs shoot for them, you must narrow it down to only five subs. Also, there are three (**3**) teams that still have less than the ten allowed shooters listed. You will not be allowed to add or change anyone after January 1st, even if you only have nine

shooters listed. This means that your final roster should be turned in tonight. All teams also remember that anyone with a designation of "**ineligible**" next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play. **Captains of each team need to monitor this yourselves, ensuring that those teams are not utilizing these players.**

Dues

The final payment of dues was to be completely paid on or before the night of December 8th, (last week). Thank you all for complying so quickly and without issue. It was a nice change of pace!!!
