| <b>Sportsman of the Year</b>   |
|--|
| Please start putting some thought into whom you would like to see as Sportsman of the Year. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. If you start thinking about it now then you can remember instances from earlier in the season as well, rather than just the last few nights. I will let you know when it is time for the voting process to begin. |

## Table Runs

Congratulations to Kevin Frey, Mike Prailes, Jay Keckhaver, and Marcous Avila on your table runs this week and to Nash Kinnard on your eight ball break this week.

## Rosters

Due by **January 1st** per league rules, was your final roster of five regulars and five subs. You will no longer be allowed to add or change anyone from this point forward, even if you only have nine shooters listed. All teams also remember that anyone with a designation of "**ineligible**" next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play. Captains of

each team need to monitor this yourselves, ensuring that those teams are not utilizing these players.
