## Rosters

Per league rules, changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of **"ineligible"** next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

Schedule for:		January 25, 2016	
Jackson's Hole	at	Honey Lake Inn	
BYE	at	Bonnie & Clyde's	
Rivalry	at	Bonnie & Betty's	
Ollie's Sports	at	Art's Town Tap

## Sportsman of the Year

Please start putting some thought into whom you would like to see as Sportsman of the Year. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. If you start thinking about it now then you can remember instances from earlier in the season as well, rather than just the last few nights. I will let you know when it is time for the voting process to begin.

## Scoresheets

This is the third or fourth week in a row that I have not received scoresheets until late in the week. It appears to be the same few teams that seem to not be able to send a picture of their scoresheets in a timely manner each week. I just received the last picture of sheets ten minutes ago,

**(10:45 PM Friday)**, and that was after I had to get hold of those teams again to send me a copy. Additionally, only one of those teams responded. The reason we have both Captains send one each week is so that if there is an issue with one teams sheets, the other team still sends them. However, if both teams are forgetting to send them every week, therein lies the major issue!
