Table Runs

Congratulations to Nate Linneman, Brock Melcher, Rick Sedlak, and Jordan Dao on their table runs this week.

Rosters

Per league rules, changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of "**ineligible**" next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

Sportsman of the Year

Please start putting some thought into whom you would like to see as Sportsman of the Year. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. If you start thinking about it now then you can remember instances from earlier in the season as well, rather than just the last few nights. I will let you know when it is time for the voting process to begin.
