Scoresheets

Please double check your opposing team's scoresheets **before** you sign them. In addition to the "stars" not being recorded on both sets of sheets, there are sheets that are not matching up as far as wins & losses as well as the names of the shooters being in the wrong/different order on each sheet. It is very time consuming making a bunch of unnecessary phone calls in an effort just to find out which set of sheets are the correct ones.

Table Runs

Congratulations to Dale Christopherson, Rick Sedlak, Ben Dahlberg, and Josh Meinen on their table runs this week.

Rosters

Changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of **"ineligible"** next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

Sportsman of the Year

Please start putting some thought into whom you would like to see as Sportsman of the Year. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. If you start thinking about it now then you can remember instances from earlier in the season as well, rather than just the last few nights. I will let you know when it is time for the voting process to begin.

Honey Lake Inn

I still need Clark's last name for the roster listing.

Scoresheet Pictures

If your team chooses to take a picture of your scoresheet rather than take a copy to the Palace, then you need to make sure that **BOTH** team's sheets are in the picture and also, **BOTH** Captains need to take and send their own picture to me. This needs to happen for verification purposes.
