## Table Runs

Congratulations to Corky, Frenchy, Phil Bourdo, and Pete Alby on their table runs this week.

## Rosters

Changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of **"ineligible"** next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

## Sportsman of the Year

You can **now** start voting for Sportsman of the Year. You can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. Please write your votes on the **bottom/front** of your scoresheets so they show up in the picture or text or email your votes to me seperately from your scoresheets.

## Team Sportsman of the Year

You can also now start voting for Team Sportsman of the Year. Again, you can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player.

## Scoresheets

Honey Lake Inn and Hitch-n-Post sheets did not match up. The last shooters, Jay and Marcous were different on the 2 sheets. I went with Hitch-n-Post's sheets as the totals matched up with the 11 wins with Marcous winning 2 games. If this is not correct, let me know asap.
