Scoresheets Incorrect

Art's Town Tap had "Jeff" shooting as their #3 shooter with no last name. As there is a Jeff Brnak on their roster as well as Jeff Harmon, I went with Harmon, the regular that shot more games. Either way, whichever Jeff it was shot out of position as Harmon should have been 2nd shooter with .4047, and Rob Sr. 3rd shooter with .3846, and Brnak would have been 1st with .5555 ?? Let me know asap if Harmon was not the correct shooter.

Table Runs

Congratulations to Dan Roberts and Rey Avila on their table runs this week and to Larry Staton on your eight ball break this week.

Rosters

Changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of **"ineligible"** next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

Sportsman of the Year

You can **now** start voting for Sportsman of the Year. You can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. Please write your votes on the **bottom/front** of your scoresheets so they show up in the picture or text or email your votes to me seperately from your scoresheets.

Scoresheets Incorrect

Bonnie & Clyde's had "Randy" shooting as their #5 shooter with no last name. As there is a Randy Gruenert on their roster as well as Randy Edwards, and Gruenert would also have shot in the #5 position as well, as a sub that has not shot yet, I put the score under Edwards. If that is not correct, please let me know asap.

Team Sportsman of the Year

You can also now start voting for Team Sportsman of the Year. Again, you can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player.
