## Table Runs

Congratulations to Frenchy, Steve Craig, and Rick Sedlak on your table runs this week and to Scott Saeger and Josh Bourdo on your eight ball breaks this week.

## Rosters

Changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of "**ineligible**" next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

## Sportsman of the Year

You can **now** start voting for Sportsman of the Year. You can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. Please write your votes on the **bottom/front** of your scoresheets so they show up in the picture or text or email your votes to me separately from your scoresheets.

## Scoresheets

If your team chooses to take a picture of your scoresheet rather than take a copy to the Palace, then you need to make sure that **BOTH** team's sheets are in the picture and also, **BOTH** Captains need to take and send their own picture to me. This is for verification purposes.

## Honey Lake Inn

I still need Clark's last name for the roster listing.
