Table Runs

Congratulations to Jeff Harmon on your eight ball break this week.

Rosters

Changes to your rosters will no longer be allowed. If a player is not listed on the standings sheets, he cannot be put in as a sub. Any player appearing on a weekly scoresheet that is not listed on the roster and standings sheet, will automatically forfeit all three games. Team Captains, **you are each responsible** for monitoring this yourselves each night. All teams also remember that anyone with a designation of **"ineligible"** next to their name is not a legal shooter for their team, thus they cannot shoot on any given night of play.

Sportsman of the Year

You can **now** start voting for Sportsman of the Year. You can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player. This is something that should be well thought out so that you pick someone that has been a great sportsman all year. Please write your votes on the **bottom/front** of your scoresheets so they show up in the picture or text or email your votes to me seperately from your scoresheets.

Team Sportsman of the Year

You can also now start voting for Team Sportsman of the Year. Again, you can either vote as a team with all 5 votes or each of your shooters can vote individually as 1 vote per player.

I don't have any votes at all yet for Sportsman of the Year or Team Sportsman of the Year. If you voted and I did not catch it on your sheets, please let me know asap.
