## Table Runs

Congratulations to Rey Avila on your two table runs, and to Jim Jante on your table run this week, and Josh Bourdo on your eight ball break this week.

## Sportsman of the Year

You can now start voting for **Sportsman of the Year**. Write your votes on the front of your scoresheet so it shows up in the scoresheet picture or write it on a separate piece of paper and send a picture to me. You can also just text or email it to me as well. **1 vote per person, 5 max per team.**

## SCORESHEETS

This is getting really old waiting for sheets every week. C'mon guys, it isn't difficult to take a picture when you're done shooting and text it right away. It's a two minute process!

## Team Forfeits / Individual No Shows

For team bye weeks, I still need you to send me a copy of your scoresheet filled out in full. This is so that I know which of your shooters that I am supposed to credit the wins to. I know that may seem obvious to some, but there are a few teams that have more than five guys qualified as a regular, and one team that does not even have five guys qualified. Also, if a team has just one guy that does not show up for a match, you need to put the regulars name in the slot instead of a subs name. Even if you are expecting a sub to show up for that regular, if he doesn't actually make it there for some reason, then the regular gets charged with the losses, thus the reason for having the regular's name listed. This is per **League Rule 3.51.**
