Team Tournament Matchups Are To Be Determined					
All Star Tournament will be held on Monday April 1st					

All Star Tournament
 The all star tournament will be held on Monday April 1st and will be played at the bar that wins the Team Tournament. Start time will be normal league time of 7 pm. The top regular shooter (75%) from each team is eligible to participate in the all star tournament. **The top four (4) teams according to record, not divisions, are able to send two (2) shooters to participate.** We will be giving out trophies and prize money before the tournament, starting at approximately 6pm. Although not mandatory, **we would greatly appreciate if each team would see if their sponsors would donate a bottle of booze to raffle off at the tournament.**

Table Runs
 Congratulations to Chris Calvillo on your table run this week and to Todd Floor on your eight ball break this week.

Sportsman of the Year
 Only two (2) teams have turned in their votes so far for **Sportsman of the Year** so far. Votes need to be in asap!! Please write them on the front of your sheets so they show up in the picture, send it to me in a separate picture from your scoresheets, or text them to me. However you do it, please do it soon!

Playoff Tournament
 A team tournament, consisting of all teams in the league, at the end of the season will determine the recipient of a league traveling plaque. When the traveling plaque is full of names, the team with their name on it the most times will keep the plaque. A new plaque will then be purchased for the next year. For seeding purposes, in the event that there is a tie between two teams win/loss record, the tie breaker will revert back to the regular season head to head matchup results between the two teams. After teams have been matched up, the team with the highest average shall be deemed to be the Home Bar. **All seasonal league rules apply throughout this tournament as well, including game drinks and bar rounds. Because of this, all fifteen games must be played out in their entirety, regardless of whom reaches eight games first.** The schedule will be out shortly, (as soon as teams records are to the point where their seeding can be determined). There are too many teams that are really close in record and rankings will change the last week of shooting. There is a blank bracket sheet on the website as well so you can see where each team will shoot. The top four (4) teams, according to record, not divisions, will have a bye the first night of the tournament.
