All Star Tournament

The all star tournament will be held on Monday April 1st, and will be played at the bar that wins the team tournament. The top regular shooter (75%) from each team is eligible to participate in the all star tournament. **The top four (4) teams according to record, not divisions, are able to send two (2) shooters to participate.** If your top shooter is not able to make it, you can send an alternate shooter, but that person must be on your team, and must have qualified as a regular (75%) as well. The following is the list of the shooters scheduled to shoot so far; Phil Bourdo, John Thompson, Rey Avila, Marcous Avila, Scott Gietzel, Nash Kinnard **OR** Scott Gall, Andy Sonnichsen, Lester Ruehle, Dan Miller, Jim Jante, Dan Roberts, Jackson, Sean Williams, Dan Jinar, Brandon Pfitzenmeier, and Larry Staton.

Table Runs

Congratulations to Jim Jante, Rey Avila, and Marcous Avila on your table runs this week.

Missing Players/Forfeits

If there is going to be a player missing, the remaining players **DO NOT** change places. **They stay in their original order and the missing regular shooter stays listed in his slot and gets the losses, per league rules.** For instance, if the opposing teams 3rd shooter is missing, then your team's 3rd shooter gets the three wins. You would **NOT** adjust your order up **AT ALL** to make your 5th shooter get the wins. By the same token, if their 1st shooter is a forfeit, you would **NOT** move their number 2 shooter up to play against your number one. Your #1 would sit out and get the 3 auto wins, #2 would still play 2, and 3 vs 3, etc.

Team Tournament

Remember that all 12 teams are automatically in the tournament at the end of the season to determine the recipient of the league traveling plaque. The winner also earns the right to host the all star tournament. When the traveling plaque is full of names, the team with their name on it the most times will keep the plaque. A new plaque will then be purchased for the next year. After teams have been matched up, the team with the highest average shall be deemed to be the Home Bar. For seeding purposes, in the event that there is a tie between two teams win/loss record, the tie breaker will revert back to the regular season head to head matchup results between the two teams. **All seasonal league rules apply throughout this tournament as well, including game drinks and bar rounds. Because of this, all fifteen games must be played out in their entirety, regardless of whom reaches eight games first.** For those teams eliminated each week, we encourage you to go out and support your favorite remaining teams!

Trophies/Prize Money

We will be giving out trophies and prize money before the all star tournament, starting at approximately 5:30 pm. **Although not mandatory, we would greatly appreciate if each team sponsor would donate a bottle of booze to raffle off at the tournament.** If they need a receipt so it can be recorded as a donation, I can provide them with one.
