Standings Sheets

The intention of emailing pictures of your scoresheets is to eliminate dropping off cash and sheets each week. Please try and pay by halves as per the rule change so that we can accomplish this. Also, please let me know on your sheets this week, or by email, how you want the standings each week. This would be by checking the website when you get to your match, emailing them to one or all of your players and having one of them print them, or by delivering them to the home bar as we did last year. Hopefully we can avoid unnecessary running around.

Table Runs

Congratulations to Brian Dubinsky on your table run this week and to Josh Bourdo on your eight ball break this week as well.

Scoresheets

Reminder that both team Captains, not just one, need to take a picture of both scoresheets together and email them to me. This is to eliminate one being different or changed. Additionally, the scoresheets for Gabby's and Honey Lake do not match up this week, even though both are pictured together. Hopefully I guessed correctly on which one to use.

Sponsor Fees & Weekly Fees

Please turn in your sponsor fees tonight if possible, but at the latest by next week. Several teams have not turned in the weekly dues nor have they indicated that they are paying by halves or the full year. Please indicate this on your sheets this week. Additionally, there are many shooters that only paid the \$6 this past week. It was discussed at the meeting that there was only

going to be a select few exceptions to the newly voted in rule change. Those few were to be discussed and approved by the officers or secretary ahead of time. Hopefully this was going to just be for the first week and they will be paying by the halves as per the rule change that was voted on at the rules meeting. Could the Captains of those shooters please shoot me an email or call to clarify this, whichever is more convenient.

ROSTERS

Please check the spelling of your players names on the standings sheet this week. Also, don't forget to write **first and last names** for all of your players on your scoresheets, at least for the first couple of weeks.
