PICTURES

Please make sure that both teams are taking a picture of BOTH sets of scoresheets together. This is important because I am still getting no sheets at all and one team saying "I thought so and so sent the picture", and then I don't get one at all. Or one of the pictures turns out blurry so I have to rely on the other one.

Table Runs

Congratulations to Andy Sonnichsen, Chris Matthews, and Bill Matthews on your table runs this week!

Still a lot of questions on the TR rule change from last

Rule 6.A.4.b. A table run is definable as a table run only if all three of the following qualifications are met;

1. It is the shooter's first trip to the table. **2.** The table is still considered 'open' when he approaches the table. **3.** The shooter is responsible for pocketing **all 8** of his balls himself.

Thus the shooter cannot get a table run if his opponent breaks and pockets one of each, and then misses or scratches, leaving the table still 'open', (because the other shooter has pocketed one of his opponents balls for him). The incoming shooter could get a

table run however, if his opponent breaks and pockets one or more balls of the same (solids or stripes) and scratches, and the incoming shooter takes the opposite balls, of which none has been pocketed yet, and runs **all 7** of his, **along with the 8**, because he has met **all three** requirements listed above. **Please let me know if there is any other rules that are still not completely understood or if you need more clarification on one.**

ROSTERS

Please check the spelling of your players names on the standings sheet this week. There are some still missing and/or spelled wrong! Also, don't forget to write first **and** last names for all of your players on your scoresheets, at least for the first couple of weeks. I got another new player this week with no last name!

Score Sheets

Please make sure that at least one person on your team is printing out the **Pool News** each week. It is important that all five guys on each team get a chance to read it and keep up to date on what is going on around the league each week!
