Scoresheet Pictures

Remember when you take pictures of your scoresheets at the end of the night, that each Captain takes their own picture with both teams scoresheets in that picture. This is so that we can see that both sets are the same ie; stars, wins etc, also so that last names are on at least one set of sheets. Most times the last names are only written on the set of sheets of the team whose scoresheets they are. Some pics are coming out really blurry so please hold the phones still when taking the picture!!

Rosters

Your rosters of five regulars and five subs should be turned in this week. It is the last page of your rule book so all you need to do is fill it out and turn it in or take a picture of it and email or text it to me. **Effective November 1st**, no one will be allowed to shoot that is not already listed on the standings sheet that week. If you need to add someone, it must be done **the week prior** so that the player is actually listed on the standings sheet before he subs. See page 3 of the rule book under rule 1.D.4. Finalized rosters will be due on January 1st, with no changes at all allowed after that.

Table Runs

Congratulations to Rob Baumeister and Corky for your table runs this week, and to Don Weis for your eight ball break this week.

Standings

Please make sure that at least one person on your team is printing out the **Pool News** each week. It is important that all five guys on each team get a chance to read it and keep up to date on what is going on around the league each week!

Pictures

If it is just as easy for you to send the pics of your sheets directly to my email, then I would prefer that. I print them out from there at home. If you can't do it to email, then texting to my phone is fine as well. My email is RockinMs@msn.com.
