Table Runs

Congratulations to Tony Barnett on your table run this week.

Scoresheets

Please make sure you look at the other teams sheets before you sign them. They need to match up as far as wins, losses, 'stars', names etc. Also, please make sure that last names are on at least one teams set of sheets!!!

Rosters

Due by **January 1st** is your finalized roster of five regulars and five subs. You will no longer be able to change or add anyone after that. For teams with more than five subs, you must narrow it down to only five. Please do so tonight and write it on your scoresheets. This actually means that you should actually have this done by **this week, December 17th**, as after that we don't shoot again until January 7th.

Pictures

If it is just as easy for you to send the pics of your sheets directly to my email, then I would prefer that. I print them out from there at home. If you can't do it to email, then texting to my phone is fine as well. My email is RockinMs@msn.com.

Table/Equipment

We found that one of the cue balls at John's Main Event **may have been** the biggest issue with the table rolling to one side or the other by five or six inches. Please make sure that you are using the one with the little circle on it as that is the correct one to be using to avoid the dramatic roll.
