Score sheets

One team did not send me pics of their sheets at all this week, and 1 team sent me a pic of last weeks sheets instead of this weeks. Your only a week behind guys!!

Table Runs

Congratulations to Vince Popp for your eight ball break this week.

Rosters

Effective immediately, **(as of January 1st)**, you will no longer be able to add or change any more players. Any player listed on a weekly scoresheet that is not on your roster will automatically forfeit all three games.

Sportsman of the Year

It's time to start putting some thought into your selections for Sportsman of the Year. I will let you know when it is time to vote, but if you start thinking about this now you can include influence from the whole year versus just the last couple of weeks.

Score sheets

Please send all pics of scoresheets directly to my email at RockinMs@msn.com. Please do not send them to my phone! Also remember that **BOTH** teams need to send their own picture of the sheets in case one teams does not turn out well.

Standings

Please make sure that someone on your team prints out the standings and brings them to your match each week! Too many players don't know what's going on in the rest of the league because this does not happen!
