Home team will be the team with the better record.

Playoff Rules

The playoff rules will be the **same as the rules were all season**. Both teams are still to buy a round of drinks for each team, and you are playing for a game drink as normal. This means that all **matches should be completely played out in full** so that all game drinks etc get purchased for all 15 games. Even if the match is technically over after a team reaches eight wins, you need to **finish it out completely**. The team with the better record is the home team. Teams eliminated weekly are encouraged to go out and support the remaining teams!

Banquet

I need the counts for each team's attendees for the banquet. The league will pay for 14 players for each team. Attendees above that will come out of your own team's prize money.

Banquet

The Banquet this year will be held at the Rivermoor Country Club in Waterford on **Saturday, April 2**. Mark your calendars now. Because there will be 2 pool tables at the banquet, **we will be having a tournament** at the banquet this year. **This tournament is strictly optional**. Please get your yellow envelopes with your entry fees turned in to Josh Bourdo asap. These are due no later than March 12th so that we can determine the rest of the tournament details.

Absolutely no money nor prizes are coming out of the league fees or prize money for this tournament. McDermott agreed to give us a cue stick or two and various other prizes strictly to use for the tournament. If we would have not done one, then the league would not have received those donated prizes or cues that were allotted to the tournament. Additionally, there are still McDermott prizes that we have purchased as well as some that McDermott donated for the banquet portion only!!!

Sportsman of the Year

I only have three teams that have turned in their vote for Sportsman of the Year. Please get these in asap!!!!!!

Banquet Raffle Bottles

For the convenience of all of the team Captains, and because there have been so many that have forgotten to bring a bottle in the past, the Vice-President will be going around in the weeks to come to gather a bottle from each tavern. Please make your sponsor aware of this so that Squirrel does not have any difficulties doing so. Additionally, it will not come as a surprise to your owners when he shows up to collect a bottle from them.
