D. COMMITTEE REPORTS

Any update from the banquet committee?

Dick Taylor reiterated that he tried several different dishes and they narrowed it down and chose the food that was going to be served at the banquet and they were pleased with it.

Who is collecting the donated bottles from the bars for the banquet raffle?

It was decided that the Captains from each team be responsible for bringing their own bars' bottles to the banquet.

E. OLD BUSINESS

Anyone have any old business to discuss?

It was requested that "Spankey's" be put on the Wednesday night league waiting list.

F. NEW BUSINESS

1. Nominations for President??

Nominee: **Josh Bourdo Was nominated by Brian LeStarge and seconded by Frenchy**

There were no other nominations for President. There was a discussion that the current rule states that there cannot be two officers from the same team. It was decided that Josh would be elected and then the rule be suggested to be changed at the rules meeting. We would have to set up a protest committee to handle all issues so that there is no conflict of interest. If the rule is not voted on to be changed then we would need to elect a different president or a different secretary treasurer

2. Nominations for Vice President??

Nominee: **Randy Grisham was nominated by Frenchy and seconded by Josh Bourdo.** There were no other nominations for Vice President. Randy was elected unanimously

3. Nominations for Secretary??

Nominee: Phil Bourdo was nominated by Frenchy and seconded by Chris. There were no other nominations. Phil was elected unanimously

G. DISCUSSION

1. All star tournament will be double elimination. Only the losers bracket will play downstairs.

2. Squirrel brought up a suggestion to change the league to a four man team format with mostly BCA rules. He stated that it would generate more interest .

It was responded to in both aspects with some pros brought up and some cons.

On the con side; there may be teams that we would lose for a couple reasons. One they would have to get rid of one person from each team. It would be difficult to decide who to kick off the team, unless you did a rotation. Also, by going to BCA rules, one would be that when you break, as long as you make a ball you get to pick what you want and keep shooting. You don't have to take what you make on the break. There would be a lot more table runs and the thought was that we would lose alot of teams from the lower half of the league. The better teams would be come just that much better with lots more table runs. If guys aren't even getting to shoot, they're not going to want to play. Also with ball in hand that would mean that the better players would make it so that the lower half players would get more frustrated.

On the pro side, by having four man teams, the fifth person from each team could make their own team. It was thought that the matches would go quicker thus "getting home earlier" on pool nights. It was decided that there would be more discussion at the rules meeting versus at this meeting. This meeting was mainly to elect officers for the next year and discuss the all star tournament.

H. NEXT MEETING

The next meeting will be held at Gabby's Palace on June 13th, 2018 starting at 6:30pm. This will be the first half of the rules meeting. Rules need to be brought up and discussed at this meeting in order to be voted on at the following meeting.

I. ADJOURNMENT

A motion was made by Frenchy and seconded by Dick Taylor to adjourn the meeting.

Respectively submitted;
Phil Bourdo - (Secretary-Treasurer)
