Scoresheets

Please put a **1 or a 0** in the **scorebox**, and **NOT W or L**. The w's and l's can look too much alike, or blurry when using the markers, along with some people's not so neat handwriting! Also, please make sure that BOTH sets of sheets match up BEFORE you sign them. I am still getting pictures of scoresheets that DO NOT MATCH UP, and that have TR's and eight ball breaks on one, but not on the other. Also, if you put a 'star' in the scorebox, please remember to designate whether that was for a table run or an eight ball break. While it makes no difference on the standings, we do keep track of them specifically.

Table Runs

Congratulations to Phil Bourdo on your table run this week.

Standings Sheets

PLEASE designate at least one person from your team to print out the **Pool News** each week and bring it with you to your matches. The last few years we had numerous people not aware of what was going on in the league because they weren't looking at it online and no one brought it to the match to read there.

Chip Passing

Please remember that chip passing is **NOT ALLOWED!** It is up to the team Captains and bartenders to monitor this. Guys, do not put your bartenders in the position where they have to call you out on this! We should all know by now that it is not allowed. My suggestion to bar owners and/or bartenders, if you continue to have issues with this, maybe do not give out drink chips? There is no rule that says you have to give out drink chips. The rule says you are playing for a drink up to \$3.00, not a drink chip. **For the bar round, maybe have your bartender go around and take a drink order, or some bars just have you order it when you are ready later in the night. There's plenty of ways around giving out drink chips if the owner or bartender is concerned about guys passing them.**

ROSTERS

Please check the spelling of your players names on the standings sheet this week. Also, don't forget to write **first and last names** for all of your players on your scoresheets, at least for the first couple of weeks until I get to know all of the players names.
