Scoresheets/Standings Sheets
Please mark your scoresheets with a 1 or a 0 for wins and loses, not W or L. Mark table runs as a 'TR' instead of a 1, and an eight ball break as an '8'. I missed a couple of table runs because it was just marked with a little asterick and it was hard to read on a phone pic. Handwriting is hard to read sometimes with the wet erase markers and I can't tell what it says. Also make sure that you are spelling out guys last names, at least for a few weeks until we are certain that names are spelled correctly and that there are no two guys with the same name on a team. Also double check spelling of your guys names so I have them listed correctly on the standings.

TABLE RUNS
 Congratulations to Andy Sonnichsen, Phil Bourdo, and Pete Alby on your table runs this week. Also, instead of putting an asterick or a really small 'tr' in the top corner on your score sheet for a table run or eight ball break, please put **'TR'** or an **'8'** in the box. It is too easy to miss the small letters in a phone picture.

ROSTERS
 As of **November 1st**, no one will be allowed to shoot that is not already listed on the standings sheet. If you need to add someone, it must be done the **week prior** so that the player is listed on the standings sheet **before** he subs. **See page 3 of the rule book under rule 1.D.4.**

CAPTAINS (POOL NEWS)
 Please make sure one of your guys is printing out the **Pool News** each week and sharing it with all the guys on your team. This is imperative that they keep up on all the info each week as well as the Captains. We want everyone to know whats going on each week so they aren't left in the dark so to speak.

SHEETS
Please try to write as neatly as possible when filling out your sheets. Also, make sure that both sets of the sheets match up **before** you sign them or take the picture of them. This includes player and team names both, as well as the wins, losses, and table runs/eight ball breaks. I am consistently receiving sheets that do not match up and I have to call Captains to confirm scores and table runs.
