Team Forfeits / Individual No Shows

For team bye weeks, I still need you to send me a copy of your scoresheet filled out in full. This is so that I know which of your shooters that I am supposed to credit the wins to. I know that may seem obvious to some, but there are a few teams that have more than five guys qualified as a regular, and one team that does not even have five guys qualified. Also, if a team has just one guy that does not show up for a match, you need to put the regulars name in the slot instead of a subs name. Even if you are expecting a sub to show up for that regular, if he doesn't actually make it there for some reason, then the regular gets charged with the losses, thus the reason for having the regular's name listed. This is per **League Rule 3.51**.

Table Runs

Congratulations to Josh Bourdo and Phil Bourdo on your table runs this week.

Banquet / Banquet Committee

I haven't gotten any information yet from the **Banquet Committee** as to where the banquet will be, menus, tournament, etc etc. If you have any of that, please let me know so I can get it posted on the **Pool News**. If not, then please make your phone calls and communicate with each other and update me with that info as soon as you figure it all out so I can get it posted.

Scoresheets

Please double check your opposing team's scoresheets **before** you sign them. In addition to the "stars" not being on **both** sets of sheets, there are sheets that are not matching up as far as wins & losses as well.

POOL NEWS

Please have one of your shooters actually print out the **Pool News** each week and bring it to your match. I still have guys asking me about things that are already printed out on there, but they still haven't seen it. I understand it's on the website as well so they can just pull it up themselves, but it may be beneficial to actually view it at your match, and discuss as a team, any questions they have on it at that time. Maybe put it up in your bar as well when you're done?
