All Star Tournament

To be held at the establishment of the winning team of the March 21st matchup

Banquet

The banquet will be held on **Saturday April 7, 2018** at the **Rivermoor Country Club**. Please do not overestimate your numbers for attendees! Your team will be charged for no shows, so please be accurate to avoid unnecessary payments. Each team is allowed up to 14 attendees. There will also be raffles throughout the night. **Although not mandatory, we would greatly appreciate if each team would see if their sponsors would donate a bottle of booze to raffle off at the tournament. If sponsors would like a receipt for their donation, let me know and I will bring them one.**

Banquet Tournament

Because the tournament at the banquet is sponsored by McDermott, you do not contact me to enter. For those of you wishing to shoot the **McDermott Cue** sponsored tournament at the banquet this year, contact **Josh Bourdo** at **262-903-3926** asap, or email him at JMBourdo@me.com. It is the same format as last year. It cost \$5.00 to enter and it will include 2 drink tickets for the banquet hall. All prizes for this tournament are being provided by McDermott, not the league. However, we will have league sponsored prizes at the banquet.

Table Runs

Congratulations to Matt Gums and Mark Wagner for your table runs this week, and to Mike Weis for your eight ball break this week!

All Star Tournament

The all star tournament will be held on **Wednesday March 28, 2018** and will be played at the bar that wins the team tournament. **The top shooter from each team is eligible to participate. Additionally, the top four teams, according to records, not divisions, are able to send two representatives.** If your top shooter is not able to make it, you can send an alternate shooter, but that person must be on your team, and must have qualified as a regular with 75% as well (50 games). The following is the list of the players that have qualified to shoot; **Frenchy, Phil Bourdo, Chris Matthews, Matt Gums, Mike Prailes, Mike Weis, Brian Kavalauskas, Brian Miller, Rey Avila, Andy Sonnichsen, Randy Grisham, Tom Reid, Mike Schryer, Jim Zilke, Jerry Meinen, Josh Thuemmler.** Per league rules, the all star tournament will be single elimination unless the winning bar has a second table in it, then it will be double elimination. Also, we will have a short meeting before we start the tournament in order to elect officers for the next year. Additionally, we are tossing around the idea of having a calcutta before the all star tournament as well. This does not cost you anything if you do not wish to participate. This is basically just going down the list of all star shooters and auctioning them off. The total money collected from the calcutta auction goes into a pot and gets paid out just like the tournament gets paid out, places one through five. If theres not much money raised in the calcutta pot then theres not that much prize money to distribute for the placings. It does not affect anything associated with the structure or the original payout of the all stars, it's totally separate. You can give me a call or text and let me know your thoughts on this or if you don't understand it. **This is strictly voluntary if we decide to do it at all.**
