Score sheets

Please make sure **BOTH** sets of scoresheets are in your picture before you send it to me, and that **BOTH** sets of scoresheets **match up**, ie; table runs, 8 ball breaks, etc. **BEFORE** you sign them!. I am still getting scoresheets with table runs and 8 ball breaks listed only on one team's sheets! WE want to credit the correct people.

Table Runs

Congratulations to Dave Garcia, Pete Alby, Rey Avila, and Joe Greenhill on your table runs this week.

Rosters

Effective Immediately: No one will be allowed to shoot that is not already listed on the standings sheet that week. If you need to add someone, it must be done the week prior so that the player is listed on the standings sheet **before** he subs. **See page 3 of the rule book under rule 1.D.4.**

We have made exceptions to this rule for the sole reason that the **'Rona Virus'** is still rearing it's ugly head about. Please do not abuse the rule exception, but be sportsman about it. Also, if a player or two on your team is showing any symptoms at all of getting sick, **PLEASE have him stay home!** This is why we are making exceptions to this rule, so no one else catches it from other shooters!

Please try and get scoresheets to me the night of your matches. Theres no reason that I should be getting them on Saturday or Sunday!.

RULINGS

If you have a ruling issue that you cannot settle by looking through the rulebook, or you need a rule clarification feel free to contact an officer right away to assist you. We want to avoid protests etc or having to reshoot any games or matches.
