## ROSTERS

**Due by January 1st was your finalized roster of five regulars and five subs. You will no longer be able to change or add anyone after that. For teams with more than five subs, you must narrow it down to only five. We have made exceptions to this rule for the sole reason that the 'Rona Virus is still rearing it's ugly head about. However, you should have enough subs on your roster by now as to avoid any issues. We have had teams add new shooters on the night of and not used their subs on their roster just to boost their wins. This is abusing the flexibility we have allowed. Everyone should have enough subs by now to cover if one person is sick.**

## Sportsman of the Year

It's time to start thinking about who you want to nominate for **Sportsman of the Year**. It should be someone who exemplifies the true meaning of Sportsmanship. Each team is allowed five votes. You can all vote for the same person or you can vote for 5 different people if you wish. If you want to write it on the front of your scoresheet so it shows up in the picture, or you can text me the names and number of votes for each nominee.

## LEAGUE OFFICERS

As we do every year, we will elect officers for next season at the all star match. We do this at the end of the year so that the officers can work with each other over the summer to recruit more teams, or anything else that may improve the league. If there is anyone that knows a little about Microsoft Office, or specifically the Excel program, and would be interested in learning the secretary treasurer position for next year, (or any other position), please start thinking about it now. Better yet, let me know and I can start working with you to show you the ropes so to speak.
