LEAGUE OFFICERS

As we do every year, we will elect officers for next season at the all star match. We do this at the end of the year so that the officers can work with each other over the summer to recruit more teams, or anything else that may improve the league. If there is anyone that knows a little about Microsoft Office, or specifically the Excel program, and would be interested in learning the secretary treasurer position for next year, (or any other position), please start thinking about it now. Better yet, let me know and I can start working with you to show you the ropes so to speak.

TEAM TOURNAMENT PLAYOFFS

Next week starts the team tournament that will determine where the all star match will be held. Please get your scores in right away so I can get the schedule out as soon as possible that tells who will play who, and where. Home team will be the team that has the better record of the two teams that are playing each other.

RULE 3.53. COACHING.

Each team shall elect one playing Captain. That team's Captain must be identified to opposing team Captain prior to start of play via an asterisk next to their name in the lineup. Only Captain or shooting player may call a foul. **The player, however, has the right to refuse his Captain's call of a foul.** Coaching is only allowed when shooting player asks for advice (other than calling fouls). A player can call any of the other four players from his team as a Coach, it does not have to be the Captain, nor does it have to be the same player each game. Any voluntary help or advice from anyone other than the specifically called coaching player, is not allowed. (Loss of Shot) A Coach cannot be called to the table more than one (1) time per game. (Loss of Shot) Equipment may not be used to assist in coaching. (i.e. Coach cannot pick up a cue stick to line up a shot, use chalk to measure gaps, etc.) (Loss of Shot)

Sportsman of the Year

I have not received any votes at all yet for Sportsman of the Year. Each team is allowed five votes, all voting for the same person or you can all vote for 5 different people. Write it on the front of your score sheet, or you can text me the names and number of votes for each.
