## LEAGUE OFFICERS

Every year, we elect officers for next season at the all star match. We do this at the end of the year so that the officers can work together over the summer to recruit more teams, or anything else that may improve the league. If there is anyone that knows a little about Microsoft Office, or specifically the Excel program, and would be interested in learning the secretary/treasurer position for next year, (or any other position), please start thinking about it now. **I'm finally retiring after this year and can work with someone and show them the ropes!**

## Sportsman of the Year

I have only received two (2) team's votes for Sportsman of the Year. Each team is allowed five votes, all voting for the same person or you can all vote for 5 different people. Write it on the front of your score sheet, or you can text me the names and number of votes for each. I need these asap!

## All Star Match March 21

Each team gets to send **2 players** to the all star tournament this year because there was only 8 teams. However, in order to play, you must have finished the year as a **REGULAR** by completing **75% of the possible** games. Players with less than 75% will not be allowed to participate in the tournament. If one of your top two shooters cannot make it the night of, they can have someone from their team shoot in their place, as long as they have qualified as a regular with 75% as well. Regular league rules will be followed as the rest of the season. This includes game drinks, coaching, etc.

## Raffle at the All Star Tournament

It is not mandatory, but if you could get **a bottle of booze** from your bar to raffle off at the tournament that would be greatly appreciated.
