TAX INFORMATION

Any player having won \$600 or more from all combined WSPA tournaments will be required to fill out Form W-9 which will be available at the tournament(s). If you do not fill out this form, we will be required to withhold 30% of your prize money. The WSPA will report your winnings to the IRS and send you Form 1099-MISC.

CODE OF CONDUCT

Players and spectators are expected to conduct themselves in a respectable manner. Any negative actions of players or spectators that reflect negatively on the organization or venue will not be tolerated and will result in probation or suspension from WSPA events.

BREAKING (SCOTCH DOUBLES)

When it is your team's turn to break, either player may break. You may discuss the decision with your partner. You are not required to maintain the order of play from any preceding game.

1. The team not breaking may discuss who will take the first shot for their team but the decision must be made before the breaking team's inning ends. If you do not make the decision by the time the breaking team's inning ends, then the player listed first on the score sheet must shoot.
2. If you pocket the 8-ball on a legal break and do not foul, your partner must make the decision whether to spot the 8-ball and continue to shoot or re-rack and break again. If a re-rack is chosen, the player who broke the original rack must break again.
3. If you pocket the 8-ball on an illegal break the incoming player must make the decision whether to take the break or have the original breaker re-break. If you wish to discuss this option with your partner, this will be considered your one coach for the game.

• Continuing play: After the break, players on a team alternate shots during their inning. The order of play must be maintained between innings. If a player shoots out of turn, it is a foul.

COACHING (SCOTCH DOUBLES)

Whether or not coaching has occurred is determined solely by the referee.

1. During your inning, you may communicate with your partner for one shot per game. If a gesture or verbal announcement is made, or suggesting to your partner that they use a bridge or particular cue, this is a coach. You may not approach the table area to look at a shot while your partner is shooting or it will be a coach. You may continue to communicate before the next shot is taken.
2. During your opponent's inning, you may quietly discuss anything you wish with your partner. All discussion and communication must stop immediately when your opponent's inning ends.
3. Any player on either team, regardless of whose turn at the table it is, may (without being considered a coach):
 - A. call a foul;
 - B. request a stoppage of play to summon a referee, or suggest that a referee be summoned;
 - C. inquire whose turn it is or what group they have;
 - D. notify their teammate of the amount of time they are taking to shoot.

SOFT/SAFETY BREAKS

1. No intentionally soft breaks or safety breaks in any doubles or any team play.
2. If your break is illegal, with or without a foul, your inning ends. Your opponent may:
 - A. Re-rack the balls and break.
 - B. Require you to re-rack the balls and break again.
3. The game cannot continue until there is a legal break. If a break is illegal and there is also a foul, the illegal break takes precedence and the incoming player must choose either option "A" or "B" above
4. If it is found that you are intentionally doctoring the rack or not striking the rack with a reasonable force, that game will be forfeited. Final decisions on this violation are at the discretion of the Tournament Director.

SLOW PLAY

Scotch Doubles Teams or Team players can be put on a shot clock if it is determined they are taking an excessive amount of time to shoot. You may call a referee if you believe your opponent is consistently taking longer than one minute per shot. A referee or event official will come to the table and address the issue with both teams.

This rule is to minimize slow play to move events along at the scheduled pace and to offer good experience for all players. If you are on a team that has a slow player, please make sure they are playing at a reasonable pace.

- A shot clock can be placed on a scotch doubles team or an individual person during other team play.
- The shot clock does not apply to the first shot after the break.
- One minute shot clock. The player will receive a warning when ten seconds remain, whether they are down on the shot or not.
- During the player's inning, the shot clock starts when all balls from the previous shot come to rest.
- If a player has ball in hand, the shot clock starts when the player has possession of the cue ball and after any spotting of balls is finished.

- The shot clock will pause if play is stopped to summon a referee and will start again when the referee authorizes the player to shoot.
- If a doubles team requires a coach, the time out will add one minute to the inning for a total of two minutes.

DRESS CODE

Referees will not be policing dress code violations. It is the responsibility of each team to either accept or question their opponent's attire before the break of a player's first game during team play. Final decisions on dress code violations are at the discretion of the Tournament Director and/or WSPA Board.

- B. Button down shirts may be required to be adjusted to meet the dress code.
- C. Untied, lack of, or open-toed footwear will be required to be corrected due to health and safety concerns.
 - For violations of (C), players will be asked to immediately leave the player's area if the violation cannot be corrected immediately.

If they cannot be corrected immediately, all other violations will be enforced upon being discovered by any referee or Tournament Official at any time during a match.

PENALTIES

1. First violation: the team will lose one game of the match.
 - A. The penalty game is added to the opponent's score immediately. Any game in progress is not affected and will continue, regardless of the status or progress of the game.
 - Exception to "A": if the team's opponent is on the hill, the one-game penalty is not applied, but the violation is recorded and counts in the progression of dress code penalties.
2. Second violation in any later match in any event: disqualification from the event and all remaining events.

MEDICAL EXCEPTIONS

Players needing an exception to these rules for medical reasons must provide a letter on official letterhead from the player's health care provider before the tournament begins and present that to the Tournament Director.
